GRANTS & CONTRACTS

AWARDED

UVA Precision Health Initiative Collaborative Research Grant **Aug 2024 – Jun 2027**
Redressing mental health inequities: Developing and testing a youth mental health dashboard (Lyons, M.D. – PI, Zabek, F. – Co-PI)

This project will provide a proof of concept for a comprehensive mental health data dashboard and decision-making protocol to inform tailored decision making for selecting and implementing youth mental health services.
Funded Amount: $441,600
Role: Co-Principal Investigator

Virginia Department of Health Contract **Apr 2024 – Dec 2027**
Social Emotional Learning Expansion
This project will facilitate public health interventions among after school programs serving Virginia public elementary schools/students with the primary goal of advancing the uptake of Social Emotional Learning (SEL) initiatives through evidence-based programming.
Funded Amount: $128,000 Annually
Role: Development and Evaluation Specialist

USED MHSP Demonstration: S184X220109 (PI: Taylor, J. V.) **Jan 2023 – Dec 2027**
Virginia Partnership for School Mental Health (VPSMH) *Extension* (Taylor, J. V. – PI, Lyons, M. D. – Co-PI, Haskins, N. H. – Co-I, Zabek, F. – Evaluation/Training Specialist).
This project aims to increase the number of school mental health (SMH) professionals working in high-need LEAs throughout the state and improve the quality of SMH services available to youth through an extension of VPSMH. This project will further expand VPSMH's statewide training and professional development efforts to promote evidence-based, inclusive SMH practices to build the capacity of providers to meet the mental health needs of their students.
Funded Amount: $5,991,768
Role: Evaluation/Training Specialist

NIMH: 1RF1MH132345-01 (PI: Lyons, M. D.) **Sep 2022 – Aug 2025**
Evidence-Informed Mental health Prevention, Assessment, Collaboration, and Treatment in Middle Schools (E-IMPACTS) (Lyons, M. D. – PI, Bradshaw, C. P. – Co-I, Taylor, J. V. – Co-I, Mazurek, M. O. – Co-I, Nguyen, A. – Co-I, McDaniel, H. L. – Co-I, McQuillin, S. – Co-I, Weist, M. – Co-I, Herman, K. – Co-I).
A school randomized trial to rigorously evaluate the efficacy of integrating a mental and behavioral health screening tool (Early Intervention System) with online implementation support using the Enhancing Community Healthcare Outcomes (ECHO) model. By integrating these two evidence-based tools, the trial will provide new knowledge about how online tools can be used to improve school-based services for addressing rising mental health needs of adolescents.
Funded Amount: $2,910,771
Role: Lead Researcher

Spencer Foundation Vision Grant (PI: Lyons, M. D.) **Mar 2024 – Mar 2025**
Coordinating mental health supports to advance equity goals within in- and after-school settings (Lyons, M. D. – PI, Sjogren, A. L. – Co-I, Zabek, F. – Co-I, Deutsch, N. – Co-I).
This project will engage researchers, policymakers, youth workers, educators, and

youth who will propose a research study to evaluate equity-centered practices for engaging out-of-school time alongside school-based programs in promoting positive mental health of K-12 students.
Funded Amount: $75,000
Role: Co-Investigator

USED MHSP Demonstration: S184X190023 (PI: Lyons, M. D.) **Jul 2019 – Jun 2024**
Virginia Partnership for School Mental Health (VPSMH) (Taylor, J. V. – PI, Lyons, M. D. – Co-PI, Haskins, N. H. – Co-I, Zabek, F. – Evaluation/Training Specialist).
VPSMH aims to increase the quantity and quality of school mental health services in high-need communities. To do this, we provide a suite of professional development experiences which include tele-mentoring groups using the Project Extension for Community Healthcare Outcomes (ECHO) model.
Funded Amount: $2,058,674
Role: Evaluation/Training Specialist

Robertson Foundation (PI: Deutsch, N.) **Jul 2020 – Jun 2023**
Remaking Middle Schools Project (RMS) Design Lab (PI: Deutsch, N.).
The RMS Design Lab worked alongside educators to reimagine how they might design school structures that both meet students' developmental needs and build on their assets to promote thriving.
Role: Evaluation/School Mental Health Specialist

PENDING

Spencer Transformative Research Grants **PI:** Lyons, M. L. **Submitted:** 05/2025
Coordinating Mental Health Supports within in- and After-school Settings to Increase Access to Mental Health Services (Lyons, M. D. – PI, Griffith, A., - Co-PI, Zabek, F. – Co-I).
This project will evaluate how coordinating school-based MH and OST services can promote MH outcomes for K-12 students.
Requested Amount: $ 3,412,546 **Outcome (2025):** Under review
Role: Co-Investigator

IES Improving Education Systems Grants **PI:** Sjogren, A. L. **Submitted:** 09/2024
Remaking Middle Schools: Developing, Refining, and Piloting a Scalable Model (Sjogren, A. L – PI, Deutsch, N. – Co-PI, Zabek, F. – Co-PI).
This study aims to develop, refine, and pilot a scalable model of Remaking Middle Schools (RMS) by designing and implementing a model that would expand the potential reach of RMS impacts by transferring design facilitation responsibilities from external RMS coaches to internal school leaders.
Requested Amount: $1,997,966 **Outcome (2025):** Under review
